PHARMACY EXPERIENCE

Long Term Care Pharmacist

Ready Meds Pharmacy – Renton, WA

October 2023 – Present

- Manage 50+ outbound and inbound calls daily to ensure efficient communication among patients, caregivers and healthcare providers
- Process and dispense 100-200 prescriptions per day
- Review and evaluate treatment plans and medication alternatives to ensure appropriateness for patient-specific conditions and in compliance with state and federal laws, as well as adult family home policies.
- Initiate and follow up on prior authorization; collaborate with the adult family homes and the multidisciplinary care team to monitor chronic conditions and recommend evidence-based, patient-centered therapies to optimize care outcomes
- Perform medication reconciliations during transitions of care to identify and resolve medication related problems, reducing safety problems and maintaining accuracy in patient records

Float Pharmacist

Safeway/Albertsons – Seattle, WA

September 2022 – October 2023

- Prepared and dispensed 150-300 new and refill prescriptions daily
- Performed screening and administer recommended vaccines to improve patient preventive care and general health management
- Provided pharmacological information to the multidisciplinary healthcare team to enhance the overall quality of patient care and treatment outcomes
- Provided patient counseling and performed comprehensive medication review to improve adherence and overall health outcomes
